SCHOOL OF EDUCATION MISSION STATEMENT

The School of Education shapes professional practices that contribute to the development of human potential. We are individuals in a community of lifelong learners, guided by respect for knowledge, human dignity and ethical behavior. To advance the physical, emotional, and intellectual health of a diverse society, we work together producing and disseminating knowledge as we educate learners.

EDUCATIONAL LEADERSHIP MISSION STATEMENT

The mission of Educational Leadership at The University of Montana is to develop leaders for learning organizations who are guided by respect for knowledge, human dignity, and ethical behavior. This is accomplished by providing high quality academic and professional opportunities. We subscribe to a definition of leadership wherein individuals assume evolving roles within influence relationships requiring their contributions in order to achieve mutual purposes.

ISLLC STANDARDS USED IN THIS COURSE

The primary ISLLC Standards addressed by this course are:

Standard 3. A school administrator is an educational leader who promotes the success of all students by ensuring management of the organization, operations, and resources for a safe, efficient, and effective learning environment.

Standard 4. A school administrator is an educational leader who promotes the success of all students by collaborating with families and community members, responding to diverse community interests and needs, and mobilizing community resources.

However, each of the other four standards is indirectly addressed by what is learned in this course and will be recognized when appropriate.

IMPORTANT NOTICE

Students may work together or independently on assignments. However, all work turned in must be original. **Assignments that are duplicates or, in my judgment, clones with a few minor changes, will be returned without credit or grade.** No work may be plagiarized. If you are quoting another source, you must cite the source.
